

# BRAINTREE'S ESSEX ENERGY SWITCH

- **Very simple and free to register**
- **Average savings of £180**
- **No obligation to switch**

The Scheme aims to help residents get a better deal on their gas and/or electricity bills and is delivered by the Council and iChoosr, an independent specialist provider in collective energy switching. If you've never switched energy supplier, or if it has been a number of years, the savings are likely to be significant. Even if you do switch regularly, it is still worth registering to ensure you are maintaining the best tariffs available.
