### EDITORS NOTE :

**YES** at last number **FIVE hundred** that's **TEN years** since this newsletter was created and it was sent originally to a few villages but now reaches 250 people at least who distribute it to their NW members and their communities and also now on Facebook Groups too .

I would like to thank Braintree Police in particular for regularly sending the crime reports and also now their Partnership Documents too .

They do help to reduce the opportunity of crime.

It may be worth commenting that some of those who receive this newsletter delete anything that is NOT local to them before publishing the information.

Please note that this is not what Neighbourhood Watch is all about as it is ensuring that everyone knows what crimes are being committed within a reasonable area so that we can all try to prevent it happening in your local area.
