

# Essex County Council

## Effect of the order:

The works are scheduled to commence after 06/02/20, as stated on a valid permit.

The restrictions are required for the safety of the public and workforce while superfast installation cabling works are undertaken by County Broadband.

The scheduled dates may vary for these works with appropriate signs showing and/or displayed on [www.roadworks.org](http://www.roadworks.org). The roads will be closed to facilitate each phase and then re-opened to the public. Access will be maintained for emergency services. Diversion routes will be signed at each location and residents will be informed of the dates of each phase via letter/leaflet drop and advanced warning signs on the road.

## Schedule

| Road                                     | Description  | Alternative Route  |
