THEFTS OF MOTOR VEHICLES

WHY REPORT THEM????

I was asked the other day.....

"Why should we be aware of motor vehicles being stolen which occur many miles from where I live..and certainly not on my doorstep?"

Well (between you and me) I replied that when someone removes a motor vehicle they drive it away ..and probably out of the area they have committed the crime..

So if we (as Neighbourhood Watch) are given information of such crimes then you never know you may see the motor vehicle passing by where you are at the time? It is just a thought!!!
