**CRIME PREVENTION ADVICE  
FROM ESSEX POLICE**

**Attention Porsche owners:**

**Stay one step ahead of thieves**

**We've recently seen an increase in the theft of Porsche vehicles - especially Macan and Cayenne models.**

**We know how upsetting and disruptive this kind of crime can be, and we're here to help raise awareness and encourage simple steps that can make a big difference in protecting your vehicle.**

**Here are a few tips to boost your car's security:**

**Install approved alarms and immobilisers to make it harder for thieves to succeed.**

**Use visible deterrents like steering wheel locks to make your car a less appealing target.**

**Keep your keys safe by storing them in a Faraday pouch to block signal relay attacks, and avoid leaving them near doors or windows.**

**Park smart—if possible, use a locked garage or install anti-theft bollards to prevent your car from being driven away.**

**Our officers are actively investigating these thefts and working to identify those responsible. If you've seen anything suspicious or have any information, please get in touch, it could really help.**

**WEEKLY NEWSLETTERS**

**Just to clarify the situation..yes sadly the EWLO's who send crime reports to Essex Police partners and others are being made redundant.**

**So we will not be receiving the information from EWLO's very soon.**

**However...I shall be seeing similar information from Essex Police in the next few days...**

**PLEASE be assured that there will always be a Braintree District NW weekly newsletter with information from RELIABLE sources ie Essex Police, Essex Fire & Rescue Service, The Police Fire & Crime Commissioner's Office, Crimestoppers..etc..**
